Sara,

Since you are ready, I will commence a file review and then suggest an inspection date. And, I agree to your terms regarding a drive by of the Tonopah facility.

Thanks for your help!

Sincerely,

Shannon Klimek
Air Quality Inspector, Badge #92

Subject: Hickman's Inspection Ridealong

Hi Shannon,

You asked me to choose a time to visit Hickman's Egg Ranch. Tuesday, 10/27, after 11:00 is my earliest opening. However, my Outlook calendar is up to date if you prefer a different day and want to see my schedule. Todd has asked me to view their egg washing, processing and drying operations to see if they need to be permitted. If possible, I would like to drive past the Tonopah plant while we're out since most of the hearing comments are in regards to that location.

Thanks,

The Air Quality Department strives to provide excellent customer service to residents of Maricopa County.
